

A good friend
always keeps a
secret.

A good friend is
always kind.

A good friend shares.

A good friend
always does what
you want to do.

A good friend never
argues.

A good friend
is always ready to
listen.

A good friend is there
when you need them.

A good friend
always backs you up.

A good friend would
lie for you.

A good friend will
always tell you the
truth.
