

Fold each corner to the opposite corner

Now turn over the paper so the folds you just made are face down

Fold your paper in half, vertically and horizontally

Fold all corners to the center of the paper

Fold the corners in to center again

Fold your paper in half, vertically and horizontally

Now your paper should look like this

Now your paper should look like this

Pry open the finger folds and push the shape open

Try to create your own questions as a class, however if you get stuck here are a few to support you.

Feeling Questions:

1. How do you feel when you are with your friends?
2. What makes you happy?
3. What do you do when you feel sad?
4. How do you feel when you try something new?
5. What makes you feel proud of yourself?
6. How do you feel when someone is kind to you?
7. What do you do when you feel angry?
8. How do you feel when you help someone?

Fun Questions:

1. What is your favourite game to play?
2. If you could have any superpower, what would it be?
3. What is your favourite animal and why?
4. If you could visit any place in the world, where would you go?
5. What is your favourite food?
6. What do you like to do on weekends?
7. If you could be any character from a book or movie, who would you be?
8. What is your favourite hobby?
