

Communication Titles

Ask students to research, prepare, and deliver short speeches on the titles below. The speeches can be recorded, presented in class, and/or shared via the school's social media channels.

- How to be a good listener
- The power of kind words
- Talking with respect
- Being assertive
- Talking it out: solving problems with words
- How to say 'no' in a nice way
- What to say when someone is having a bad day
- Disagreeing in a respectful way
